

MS 20-PC

Compact Professional PC

The MS 20-PC is a professional, ultra-compact, silent and low heat emission, Intel® Atom® PC

The MS 20-PC is provided with 1 Gbit/s LAN interface, 2 GB RAM, 250GB Hard Disk, VGA and DVI connectors, 5 USB (2 front, 3 rear) and audio stereo output.

Due to its reduced half rack size, low heat emission and wall brackets or under table fastening, it may be regarded as the ideal solution where cramped work space and installation flexibility are key factors.
